with Eddie Hosey — £5

---

**SPECIAL COMPETITION**  
**NAME OUR CAFÉ**

Our community café has been developing over the year as an important and well regarded community service. We would like it to have its own unique name, something snappy, attractive, memorable; a name which is inviting and encourages others to come along, especially those who may not yet be aware that a café service is available and that the Centre is for everybody.

**CAN YOU HELP?**

**There is a prize of 2 tickets to our Christmas Dinner Dance for what is judged to be the best suggestion.**

Please submit your suggestions (as many as you wish) in writing, together with your name and contact details, to the Centre, as soon as possible, but not later than November 15, 2006.

**Good Luck**
